# City Exchange

City Exchange was built in 1908 and was the largest produce production facility on the East Coast at the time. It was converted to lofts and flats in 2006. This unique historic building is outfitted with bamboo floors, stainless steel appliances, built-in surround sound wiring, specially designed soundproofing, washer and dryer, internet, controlled access with some apartments including Italian stairs! All this with the warmth of brick and exposed beams reminding the residents of the rich history of this 100 year old building.
