When minutes matter, Mountain View Heights is just around the corner. Nestled in the midst of JMU is Mountain View Heights. It may be hard to find due to its warm wooded setting located at the end of the cul-de-sac on Mt. View Drive. You might have seen this on one of your late night trips to Hardees or Harrisonburg Crossing. At Mt. View you can walk, ride your bike or take the bus and still get to class in minutes. You might not want to drive your car as you will be just a few hundred yards away from C4 and C5 lots. With plenty of parking onsite, keeping your car close is still a free option. Mt. View features spacious furnished apartments with a large, open common areas, a fully equipped kitchen and 4 bedrooms, each with its own bathroom. A small community featuring just 24 apartments, you will have an opportunity to make friends while still having all the JMU amenities at close proximity!
